

## Museum pass program at Teaneck Public Library

### THE RULES

Adult patrons whose Teaneck public library cards are in good standing may participate. Cards will be checked before the pass is issued. You will be asked to sign in the appointment book that you received the pass and a copy of the library and/or museum rules.

Passes may be reserved in advance at the reference desk. If you are unable to use the pass, we expect you to call and notify the reference desk so the slot may be made available to others.

Passes must be returned in person to the reference desk before closing on the due date. They may not be returned in the overnight book drops. Loan period for the Intrepid and the Children's Museum of Manhattan is 3 days. Loan period for World of Wings is 2 days. Overdue fine is \$10 per day. Fee for lost pass is whatever the museum charges for a replacement plus a \$25 processing fee.

Vouchers for the American Museum of Natural History are available for up to 2 people. Sorry, if your party is larger than that, you will be responsible for the admission fees. You must wait 6 months before requesting those again.

Each household may borrow only one museum pass at a time. Each household may take out a pass to the same museum one time in a thirty day period.

Borrowers are responsible for calling or checking the museum website directly for hours of operation, current exhibits, parking or directions. Each museum determines the rules and regulations governing the use of its museum pass. The museum pass may not provide admission to all exhibits at the museum.
